ST. PATRICK'S DAY

FIRST PITCH OF BASEBALL SEASON

High School Cont'd.

PROFESSIONAL DAYS

(Right) Dive Company owner Don Dryden visited Chief Hentnick's class to give a talk about industrial diving. He brought dive gear to demonstrate.

(Below) Cadets visited the South Jersey Port corporation for a tour of the grounds, and even got to visit a Ukrainian bulk carrier.

Speaker Series at the Independence Seaport Museum

Sea Cadets attended the Museum's speaker series. MACS Board Member Nathan Hauser presented the Moran Family maritime history, including D-Day landings and rebuilding post-war Europe.

High School Cont'd.

Professional Days, continued

Cadets attended an information session and tour of Jean Madeline Aveda Institute cosmetology school. They learned about careers in cosmetology and esthetics, salon ownership, and the enrollment process.

Our cadets asked great questions and seemed to really enjoy themselves. Cadets stopped by South St. for a quick bite at Lorenzo's Pizza before heading back to school.

SEA CADETS EARN THEIR CPR CERTIFICATES

Cadets explored the Camden Aquarium in March. Cadets participated in a classroom session about the many jobs at the aquarium, and learned about volunteer opportunities, required certifications, and the application process. After that, our cadets enjoyed the many exhibits and activities at the aquarium. Cadets enjoyed touching sharks, stingrays, and starfish! They were so well-behaved, asked great questions, and everyone seemed to have a good time. At one point, Jonathan Lie rushed by with the biggest smile on his face and said "I'm having so much fun!"

BOATBUILDING UPDATE

Two groups of Cadets in the afterschool CLC program have made great progress building boats this winter! The cadets are working at the Independence Seaport Museum (ISM) to build Bevin Skiffs, a 13' rowboat design.

Some Cadets that built boats previously or were part of the ISM River Ambassador program are building a skiff with raised transom and sheer planks specifically modified for the Delaware River. Both groups have constructed the basic hull shape and will be installing frames next week.

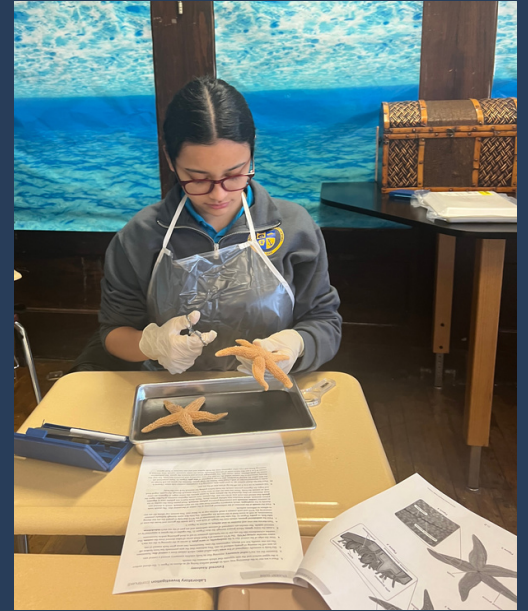

Cadets are instructed by Dave Dormond, Assistant Director of ISM's Workshop on the Water, and Tom Barnes, SAILOR Program Instructor. Tom is a retired carpenter and member of the Eastern Atlantic States Regional Council of Carpenters,

The boats will be launched in May!

SOFTBALL

After a slow start, SeaDogs get that first win, 19-2 against Preparatory Charter. Leilani Davila pitched a complete game with 4 Ks. The SeaDogs hit the cycle with LoriAnne Shorten smashing a home run, Yarellis Santiago-Campos with a bases-clearing triple, Haleigh Glinkowski with a double, and many SeaDogs running through first base!
